**Ms. Amy Charles
Director of Business Services
Southwest Wisconsin Workforce Development Board
1370 N. Water Street
Platteville, WI 53818**

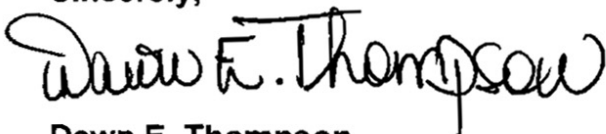

Dear Amy:

I want to take this opportunity to thank you for the significant impact that you and the SWWDB have had on our business. The Job Fair that was held on site here at United Alloy on August 8, 2006 exceeded our expectations by a landslide. We had no idea what to expect or do - your advertising efforts, planning, organization skills, and personal participation yielded over 30 qualified applicants. Two of the applicants are currently working for us, with several more on deck to make offers as our production needs increase. Your responsiveness to our immediate needs was (is) outstanding. Thank you does not seem to convey the level of gratitude owed.

If you ever need a reference for any future business, or would like me to share our success story with SWWDB with any of your prospective clients, please do not hesitate to give them my telephone number or e-mail address.

Your available resources have allowed United Alloy and its Human Resource department secure a very high demand position, in a very tight market. I look forward to continuing our business relationship.

Sincerely,

**Dawn E. Thompson
Human Resources Manager**
