

Dear Mr. Kuznacic-

On behalf of the management at iPacesetters, I would like to thank you and your group for the efforts you have put forth establishing the job fairs for Rock County. The events have been very beneficial, as I have been able to meet and hire quite a few individuals that I may never have been able to meet without getting the word out about employment opportunities via the Job Fair!

iPacesetters very much appreciates your invitation for another Job Fair this fall and the experience I hope will only be as positive as the first one. I hope that both of our companies can benefit from a mutual and rewarding relationship.

I would like to once again thank you and your staff for a superb event!

Sincerely,

Mollie Guthrie
