Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Southwest Wisconsin Workforce Development Board, Inc. as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS June 30, 2021 and 2020

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Nature of Activities**

Southwest Wisconsin Workforce Development Board, Inc. is a collaboration of public and private leaders who oversee a workforce development system that (a) continuously identifies and addresses the needs of businesses and individuals, (b) equips individuals with the skills and knowledge that employers require, and (c) provides the support systems necessary for increased economic self-sufficiency. The Organization serves the counties of Grant, Green, Iowa, Lafayette, Richland, and Rock. Comprehensive services for employers and job seekers may be obtained through the Rock County Job Center in Janesville or the Job Center located at the Southwest Wisconsin Technical College in Fennimore. Services may also be obtained through the Organization's Virtual Job Center website. The Organization's programs and activities are primarily funded by FoodShare Employment and Training (FSET) funds passed through the Wisconsin Department of Health Services (DHS) and Workforce Innovation and Opportunity Act (WIOA) funds passed through the Wisconsin Department of Workforce Development (DWD).

#### **Accounts Receivable**

Accounts receivable primarily represent amounts that have been billed under contracts for leased employees and other employment-related services provided by the Organization. Accounts receivable are reported at the amount management expects to collect from outstanding balances. As of June 30, 2021 and 2020, management has determined, based on historical experience, that all amounts are fully collectible and no allowance for doubtful accounts is necessary.

#### **Equipment**

All acquisitions of equipment in excess of \$5,000 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Equipment is carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method.

#### **Government Grants**

The Organization receives grants from government agencies that are conditioned upon the Organization incurring qualifying expenses. Revenue from these grants is generally recognized on a reimbursement basis, that is, when qualifying expenses are incurred by the Organization, both a receivable from the grantor agency and revenue are recorded. Grants are also generally restricted by the grantor for a specified purpose. Grants whose conditions and restrictions are met in the same reporting period that the revenue is recognized are reported as increases in net assets without donor restrictions.

NOTES TO FINANCIAL STATEMENTS June 30, 2021 and 2020

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **Program Service Revenue**

The Organization provides employee leasing and other employment-related services to individuals, companies, and government agencies. The Organization provides these services primarily under contracts with government agencies and other institutions. Revenue from these services is recognized at the point in time when the Organization provides the particular service. The Organization also generally bills the government agency or employer at this time.

#### **Expense Allocation**

The financial statements report certain categories of expenses that are attributable to more than one program service or supporting activity. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and wages, employee benefits, payroll taxes, and occupancy, which are allocated on the basis of estimates of time and effort. All other expenses are allocated based upon the types of services performed and expenses incurred.

The following program services and supporting activities are included in the accompanying financial statements:

WIOA—Workforce Innovation and Opportunity Act adult and dislocated workers programs seek to improve employment, retention, and earnings of WIOA participants and increase their educational and occupational skill attainment, thereby improving the quality of the workforce, reducing welfare dependency, and enhancing national productivity and competitiveness. Youth activities seek to increase the attainment of basic skills, work readiness, or occupational skills, and secondary diplomas or other credentials. A person is eligible to receive services under youth activities if they are between the ages of fourteen and twenty-one at the time of enrollment and demonstrate at least one of the following barriers to employment: deficient in basic literacy skills, a school dropout, homeless, a runaway, a foster child, pregnant or parenting, offender, or an individual who requires additional assistance to complete an educational program or to secure and hold employment.

SCSEP—The Senior Community Service Employment Program provides, fosters, and promotes useful part-time work opportunities (usually twenty hours per week) in community service activities for low-income persons who are age fifty-five or older. To the extent feasible, the program assists and promotes the transition of program enrollees into unsubsidized employment.

FSET —The FoodShare Employment and Training program provides services to prepare individuals for the world of work with the goal that they might obtain and maintain viable, self-sustaining employment thereby allowing them to remain eligible for their food share benefits or wean themselves off those benefits entirely.

Windows to Work—A pre- and post-release program designed to address criminogenic needs that can lead to recidivism including employment, education, anti-social cognition, anti-social personality, and anti-social companions.

NOTES TO FINANCIAL STATEMENTS June 30, 2021 and 2020

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Leased Employees—The leased employee program provides the necessary and appropriate service to prepare individuals to work and to obtain and maintain viable, self-sustaining employment.

Other program services—Other programs that strengthen the workforce programs in Grant, Green, Iowa, Lafayette, Richland, and Rock Counties.

Management and general—Management and general expenses include the costs necessary to ensure proper administrative functioning of the board membership, manage the financial and budgetary responsibilities of the Organization, and perform other administrative activities.

Immaterial amounts of grant writing expenses, which includes the costs incurred in soliciting bequests and grants from foundations or other organizations or government grants reportable as contributions, are included in management and general expenses.

#### **Income Tax Status**

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

#### **Estimates**

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

These conditional grants will be recognized as revenues when the respective conditions are met in future years. #### NOTE 4-RETIREMENT PLAN

The Organization sponsors a defined contribution plan covering all employees that work a minimum of twenty hours per week and are age twenty-one or older. The Organization makes a contribution to the plan each year equal to 4% of the participant's compensation. These leases also include a clause that allows the Organization to terminate or renegotiate the lease in the event the Organization's funding is substantially reduced. # INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Workforce Development Board Membership Southwest Wisconsin Workforce Development Board, Inc. Platteville, Wisconsin

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Southwest Wisconsin Workforce Development Board, Inc., which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 8, 2021.

#### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Southwest Wisconsin Workforce Development Board, Inc.'s internal control over financial reporting (internal control) as a basis of designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Southwest Wisconsin Workforce Development Board, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Southwest Wisconsin Workforce Development Board, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Southwest Wisconsin Workforce Development Board, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

#### **Report on Compliance for Major Federal Program**

We have audited Southwest Wisconsin Workforce Development Board, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the *State Single Audit Guidelines* (the *Guidelines*) that could have a direct and material effect on Southwest Wisconsin Workforce Development Board, Inc.'s major federal program for the year ended June 30, 2021. Southwest Wisconsin Workforce Development Board, Inc.'s major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with federal and state statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for Southwest Wisconsin Workforce Development Board, Inc.'s major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and the *Guidelines*. Those standards, the Uniform Guidance, and the *Guidelines* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Southwest Wisconsin Workforce Development Board, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of Southwest Wisconsin Workforce Development Board, Inc.'s compliance.

#### Opinion on Major Federal Program

In our opinion, Southwest Wisconsin Workforce Development Board, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2021.

#### **Report on Internal Control Over Compliance**

Management of Southwest Wisconsin Workforce Development Board, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Southwest Wisconsin Workforce Development Board, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on its major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for its major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance and the *Guidelines*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Southwest Wisconsin Workforce Development Board, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and the *Guidelines*. Accordingly, this report is not suitable for any other purpose.
