IV. Access

One of the primary purposes of WIOA is to increase, particularly for those individuals with barriers to employment, access to and opportunities for the employment, education, training, and support services they need to succeed in the labor market. The needs of workers, youth, and individuals with barriers to employment, including individuals with disabilities, will be addressed in the following ways.

- The parties agree to conduct outreach targeting barriered populations in coordination with one another as follows: WDA 11 One-Stop Delivery System partners agree to share partner program information with individual job seekers based on the need of each individual or as deemed appropriate by partner agency staff conducting the initial assessment and during events where job center services are advertised to all attendees of such events. Additionally, each partner agrees to serve all individuals based on program eligibility requirements and the availability of resources.
- The parties agree to ensure the physical accessibility of the one-stop center(s) and layouts of the one-stop center(s) that support a culture of inclusiveness, as follows: Partner agency staff agree to provide reasonable accommodations to individual job seekers upon request. This will ensure accessibility to programs and services are available to all. Facilities within the job center network have assistive devices on-hand and readily available for use. Signs are posted to inform individual job seekers of this availability of resources.
- The parties agree to provide full access to all customers to services, including access to technology and materials, made available throughout the local American Job Center System, as follows. (Describe specific arrangements and resources available to assure that individuals with barriers to employment, including individuals with disabilities and English language learners, can access available services.): Access to language services is prevalent throughout WDA11. Each program has access to language line and translation services specifically for program participants; however, individual job seekers can access such services via partner agency staff on-site at each comprehensive and affiliate job center.
- The parties, with the exception of WIOA Title IV Vocational Rehabilitation program, agree to offer priority of service to veterans and eligible spouses for all WIOA programs, and additionally to recipients of public assistance, other low-income individuals, and individuals who are basic skills deficient when providing individualized career services and training services with WIOA Adult funds.

V. Referral

1. **Southwest WI WDB** is an equal Opportunity Employer/Program.

The One-Stop Operator will ensure implementation of the referral process established by the parties. The referral system will provide integrated and seamless delivery of services and activities to both job seekers and employers, as described below.

- The parties agree to familiarize themselves with the requirements for participation in each of the required party programs.
- To the extent possible, the parties agree to develop materials summarizing their program requirements and to make this accessible to all parties in the local area one-stop centers.
- The parties agree to refer individuals who may be eligible for each other's programs to one another for services.
- The parties agree to evaluate ways to improve the referral process.
- The parties commit to robust and ongoing communication required for an effective referral process.
- The parties commit to actively follow up on referrals to assure that resources of the parties are being leveraged at an optimal level.

Methods of referral to be used include: Longstanding methods of referrals between One-Stop partners will continue to be used which include formal and informal referrals. Formal referrals are when partner agency staff provide the Job Center Referral form to the job seeker as requested/needed and assist the job seeker in completing the required information. The completed form will be given to the appropriate agency for further assessment and action. Informal referrals are when job seekers are referred to partner programs via face-to-face impromptu meetings, verbal, or electronic communications. Such referrals are given directly to specific partner agency staff member. This is the most used form of referral as it directly connects the job seeker to specific partner agency staff member for assistance.

VI. Duration

This MOU supersedes any previous MOUs for the job center(s) included in this MOU. This MOU shall remain in effect for one program year, effective as of July 1, 2022 to June 30, 2023 or until terminated by the repeal of the Workforce Innovation and Opportunity Act, otherwise by action of law, or in accordance with this MOU. Modifications to this MOU during its effective period shall be governed by Section VII, Modification.

If the new signatory official does not agree to sign the MOU, they must follow the Modification procedures in Section VII to sign a new MOU.

If any part of this MOU is found to be null and void, or is otherwise stricken, the rest of this MOU shall remain in force.

Any party may request an amendment to this MOU by giving written notice of the request to the contact person for each of the parties listed at the addresses shown in Section I, considering any information updates received by the parties pursuant to Section I. The written notice must include the reasons(s) for the amendment request, each Section of the MOU that will require revision, and the desired date for the amendment to be effective. The Southwest Wisconsin Workforce Development Board shall be responsible for leading and conducting local negotiations regarding the amendment request. Amendments shall not take effect until signed by all parties.

Any party may withdraw from this MOU by giving written notice of intent to withdraw at least 90 calendar days in advance of the effective withdrawal date. Notice of withdrawal shall be given to the contact person for each of the parties listed at the addresses shown in Section I, considering any information updates received by the parties pursuant to Section I. If any party withdraws, the MOU shall remain in effect with respect to other remaining parties until the MOU is renegotiated. Any failure to execute an MOU with a required party must be reported by the local workforce development board to the Governor.

Agreements are made contingent on availability of funding for each required program. In the event of elimination of funding or change in party status, the affected party shall provide notice to the other parties to this MOU as soon as practicable with its intent to terminate without further obligation or amend this agreement. A State party may terminate or suspend this MOU, in whole or in part, without penalty or further payment required, if the funds to which this MOU commits a State Party have not been appropriated or otherwise made available to the State by the funding source. The State shall provide notice, in writing, to the other parties of any such funding failure and its election to terminate or suspend this MOU as soon as practicable. Any

ATTACHMENT A: INFRASTRUCTURE FUNDING AGREEMENT

This Infrastructure Funding Agreement (IFA) shall determine how the parties to the MOU will fund the infrastructure costs at the Southwest Wisconsin Technical College (SWTC) Southwest Job Center. The IFA is effective on July 1, 2022 and shall expire on June 30, 2023. The following parties are participating in the IFA: Department of Workforce Development Division of Employment and Training; Department of Workforce Development Division of Employment of Vocational Rehabilitation; Southwest Wisconsin Technical College; Southwest Wisconsin Workforce Development Board; UMOS, Inc.; and Manpower Government Solutions.

Infrastructure costs are defined as non-personnel costs necessary for job center operations. These costs include, but are not limited to, facility rentals, utilities, maintenance, equipment (including but not limited to assessment-related and assistive technology), common identifier (American Job Center Network) costs, technology, and supplies.

The infrastructure costs are funded through cash and fairly evaluated non-cash and third-party in-kind partner contributions. Contributions to infrastructure costs have been negotiated between one-stop partners, the Chief Local Elected Official John Meyers, and the Southwest Wisconsin Workforce Development Board. Infrastructure funding has been calculated in accordance with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, and the infrastructure costs are allowable, reasonable, necessary, and allocable.

The parties participating in the IFA are contributing to the infrastructure costs in accordance with their proportionate uses and relative benefits received. The parties participating in the IFA have negotiated in good faith and agree to regularly communicate regarding the SWTC Southwest Job Center Budget. The parties have used the following steps to reach consensus on infrastructure funding, including, if applicable, a description of costs contained in individual party leases: SWTC provided an in-kind contribution of space for the Southwest Job Center and associated meeting area to co-located and non-co-located partners who provide onsite services. Co-located partners provide their own equipment to support the operation of the resource room and the staff who have office space onsite. Non-co-located partners do not contribute directly to infrastructure costs due to the in-kind donation agreement; however, these partners provide services to the students of SWTC as well as those from the surrounding communities. Should this arrangement between SWTC and the partners of the WDA 11 Job Center System change, all parties agree to negotiate different arrangements that would best serve WDA 11 and its residents..

To ensure equitable benefit among the one-stop parties participating in the IFA, the IFA shall be reviewed quarterly and modified as necessary. The Southwest Wisconsin Workforce Development Board shall work with the parties to achieve consensus and informally mediate any conflicts among the parties. If consensus cannot be reached, a party must notify the Southwest Wisconsin Workforce Development Board and all parties participating in the IFA in writing at the addresses contained in the MOU. The written notice must describe steps taken by the parties to

achieve consensus on infrastructure funding. The Southwest Wisconsin Workforce Development Board must respond in writing to the parties participating in the IFA within 30 days of the written notice.

Please see the attachment for the Southwest Wisconsin Technical College Southwest Job Center Budget, which includes the infrastructure costs budget, cost allocation methodologies, and party payment schedules pursuant to this IFA.

Shared delivery costs may include salary and fringe for staffing, shared costs of providing language access to limited English proficiency (LEP) individuals, and American Sign language (ASL) services to persons who are deaf or hard of hearing.

The shared delivery costs are funded through cash and fairly evaluated non-cash and third-party in-kind partner contributions. Contributions to shared delivery costs have been negotiated between one-stop partners, the Chief Local Elected Official John Meyers, and the Southwest Wisconsin Workforce Development Board. Shared delivery costs been calculated in accordance with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, and the infrastructure costs are allowable, reasonable, necessary, and allocable.

The parties participating in the SDCA are contributing to the shared delivery costs in accordance with their proportionate uses and relative benefits received. The parties participating in the SDCA have negotiated in good faith and agree to regularly communicate regarding the SWTC Southwest Job Center Budget.

To ensure equitable benefit among the one-stop parties participating in the SDCA, the SDCA shall be reviewed quarterly and modified as necessary. The Southwest Wisconsin Workforce Development Board shall work with the parties to achieve consensus and informally mediate any conflicts among the parties.
